INTERVIEW SUMMARY

Examiner Rizk is thanked for the telephone interviews, which were conducted with Mr. Hunter on August 31 and September 6, 2007. During the interviews, the amendment to claim 1 was discussed. Mr. Hunter pointed out that the amendment does not require further search since the subject matter of amended claim 1 was previously searched as claim 7. Moreover, the amount of further consideration needed was insufficient to warrant requiring a request for continued examination to have the amendment entered. No agreement was reached.

Respectfully submitted,

Date: Oct. 11, 2007
